In the midst of a crippling depression, the artist discovers a self-portrait in a broken mirror. Strangely enough, it looks like his own portrait. Dark stigmata, injuries on the face, a scrawled message below the mirror. After some investigation, the artist understands that the mirror is false. It's not even a mirror but a trick in the form of a mirror. There are some things that are not meant to be visible. The artist, on the other hand, has to see them. And he can't find any help in the darkest corners of the city. The artist needs your help. Can you lead him to the other world? Can you help him escape from the psychological nightmare into which he's been thrown? Find the lost soul and the lantern and make his way back from this hell. Features: - A complex and dark detective story - A sound track inspired by a twisted electronic mind - Multiple endings - The city, which shines with the soft glow of a lantern - A great artistic design and a dark atmosphere - Voice oversWESTLAKE VILLAGE, Calif. glamorous new steakhouse on the Magnificent Mile, the city's red-carpet strip, has opened its doors to celebrity clientele for the first time since it closed amid financial problems. The owners say sales have gone up more than 60 percent in the new steakhouse, called Ruth's Chris Steak House, and are expected to grow during the months ahead. More than half of its customers are from out of town, industry experts say. "We're really pleased with the way things are going. Our goal has always been to draw people out of Chicago and bring people out to Chicago, and I think we're succeeding in that," said Danny Meyer, the Chicago restauranteur who owns both the Union Square Cafe and Gramercy Tavern in New York City. It's a different market from what Ruth's Chris Steak House is used to, Meyer said. "The Chicago market is a more down-to-earth market. It's more casual. It's definitely not the real-fine-food kind of market. And now we have a more elegant ambience." The new menu at Ruth's Chris Steak House also emphasizes steak, he said. And the new restaurant that opened at the end of April is at the same address as Gramercy Tavern. "It's very nearby in the downtown

an android device using an AndroidClient. The data is sent via POST to I have the following script, but I can't seem to get it to work because of the conversion of the data to JSON: const http = require('http'); http.createServer(function (req, res) { var body = ''; if (req.method === 'POST') { var data = req.body; body = JSON.stringify(data); console.log(body); res.writeHead(200, { 'Content-Type': 'text/plain' }); res.end('Body:'+ body); } else { res.writeHead(404); res.end('Error'); } }).listen(8080, '0.0.0.0'); I'm trying to figure out why I can't send any more data to my server. Using the Network on Chrome I can see the POST is sent, but after the body is sent, Nodejs crashes, even if the response is just a simple Error. This is how I'm sending the data: var socket = new AndroidClient(AndroidClient.DEVICE, AndroidClient.PORT); socket.connect(); console.log(JSON.stringify(data)); socket.post(data).then(function d41b202975

: One Eyed DreamWe all have our own super heroic power. Some may be more sentimental than others, some may be more powerful than others, but everything has an ending. Hope is never lost. Memories are never forgotten. And inevitably, change is inevitable. In the world of Garnia, a series of calamity called Rebelyu has changed the planet into a wasteland. The evil forces are slowly spreading over the planet. So any and all who still remember the power of hope and good will protect their homes and homes of love. Nonetheless, the forces of Rebelyu still have one more big weapon to use in their plan. They sent out their best assassin, Ove Rok to acquire the forbidden skill to create the ultimate transmutation device known as Blister to complete their takeover. But those who still guard the island, which is their home, their family and their last hope are the elite lineup of brave and heroic Garnian soldiers called Gardia. They battle with every might for their past and the future of Garnia. In Garnia, there is an
